

Illinois 54th Senate District *Oil Production Industry Fact Sheet*

- More than **1.76 million barrels** of oil was produced in the 54th Senate District in 2018. ¹
- **More than 600 people** are directly employed in the oil production industry in the 54th Senate District. ²
- Ad valorem property tax revenue from production in the 54th Senate District totaled **more than \$17.6 million** from 2007-2017. All of that revenue stayed local and more than half went to fund public schools. ^{3 4}
- These jobs and local tax revenue are critical, considering the poverty rate in the 54th Senate District is well above the national average and the median household income is well below the national average. ⁵
