Jasper County has long been a significant oil producing county in Illinois. More than [216,000 barrels](#) of oil were produced in the county in 2018, 12th-most in the state. Jasper County's oil production industry generated more than **\$2.29 million** in property tax revenue from 2007-2017. IPRB conservatively estimates that at least **\$1.14 million** of that property tax revenue went to fund the county's primary school district, Jasper County Community School District #1, and its approximately 1,385 students.
