White County has been Illinois' top oil producing county for several years, averaging more than [2 million barrels](#) of production a year from 2019-2024. The county's property tax revenue from oil reserves totaled more than \$28.22 million from 2007-2023, an average of \$1.66M per year during that timespan. Between 59-63% of that revenue has gone to schools near production in each year. Therefore, IPRB estimates \$17.36 million of that \$28.22M-plus in ad valorem revenue went to fund the county's three primary public school districts: Carmi-White County CUSD #5, Norris City-Omaha-Enfield CUSD #3 and Grayville CUSD #1 from 2007-23 an average of more than \$1M per year.
